PASSIONATE ABOUT DEVELOPING SQUASH

JUNIOR PROGRESS AWARDS

Dear Parent / guardian

Please find below some information about the **Junior Progress Awards**, which has recently been launched by **Off The Wall Squash** and endorsed by **England Squash**.

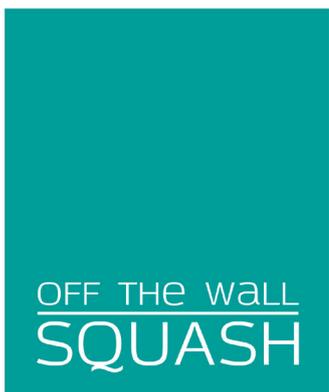

The aim of the awards is to provide a fun and engaging way to encourage and track the skill progression of junior squash players.

There are 6 levels of award and 5 skills per level. Over the coming months we hope to work through the awards with the junior players that the coaches feel will enjoy and benefit from working through the programme.

As junior players successfully complete a level they will have an opportunity to purchase the relevant wristband and certificate. Their progress will be tracked on the chart displayed on the noticeboard.

When a junior completes a level, they will receive a slip as below and then you can choose to purchase the wristband and certificate. Wristbands are priced at £..... and certificates £..... and although they are not compulsory the juniors really enjoy collecting them as a measure of their achievement.

If you have any questions please ask!
