Tournament Organisation and Rules

The tournament will be played using the 'Champions League' system. We do not use a straight knock-out system with a plate, because this only guarantees a minimum of 2 matches. Using our preferred system means that every player will get a guaranteed minimum of 3 matches.

1. The winner of each match **must** referee or find a person to referee the next game on that court,
2. Any player found not abiding by rule 1 will lose their £25 deposit,
3. No player will be allowed to switch grades once the tournament has commenced,
4. Players must be at the court and ready to play half an hour before their matches,
5. Tournament Referees decision is final,
6. Players enter the event at their own risk.

Grades

The University of Reading's Graded Tournament is a mixed event. We use the England Squash grading definitions :-

- A - players at county standard and playing at first or premier division level in a county league,
- B - a middle team player but not currently county standard,
- C - players who play regularly and are a 'lower' club team player,
- D - players who compete in an internal club league but have not represented a club team,

Prizes

Yes, that's right, we have great prizes for each grade. First and second places in every grade will receive a trophy and a cash prize (or equivalent) :-

- A - £200.00, £125.00, cash prize,
- B - £100.00, £75.00, in Racket Shop Vouchers,
- C - £50.00, £30.00, in Racket Shop Vouchers,
- D - £20.00, £10.00, in Racket Shop Vouchers,

Every entrant will also receive a free 'tournament T-shirt', which although it may not be a prize, will be something you can keep to help you remember the fantastic time you had at the 11th Reading University Graded Squash Tournament.
